## **UPDATE – PMA Gearing Up for 2014 Petition Drive**

**PassMassAmendment** [PMA] is a statewide ballot initiative committee which aims to amend the Massachusetts Constitution via petition based on "CORPORATIONS ARE NOT PEOPLE, MONEY IS NOT SPEECH"

PMA volunteers are gearing up for the Petitioning Period (early September to late November,) the only time allowed each year for making binding change.

**Printable Petitions Are On Line Starting First Week Of September.**

**Pre-printed petition forms will be released by the State Sept. 17th**

Everyone can learn how to gather signatures for this official petition. The PMA website has all the tools you need to become a "BIG Money Out of Politics" volunteer in your community.

PMA needs volunteers for every town in the Commonwealth. PMA asks for your help.

If we each take a few hours to gather signatures, We, The People, can push the issue of money in politics to the state level! Last year, PMA collected over 10,000 certified signatures. This year, PMA aims to collect 90,000 voter signatures. The more help PMA gets during these critical 9 weeks, the easier the goal becomes, so ask your friends to volunteer, too!

We, The People, can clarify that Corporations are People.

If you have questions about this ballot initiative or want to volunteer a few hours of your time this Fall, please e-mail: **info "at" passmassamendment.org** or call: **Terra at 978 808 7173.**
