Mr. Nick Bokron
230 Nahant Road
Nahant, MA 01908

Dear Mr. Bokron:

Thank you for reaching out to me to make me aware of your efforts to amend the Massachusetts Constitution to clarify that corporations are not people, and that money is not speech.

I wholeheartedly agree.

Please include me as an endorser of your efforts.

Thank you for your passion and dedication on this issue. I wish you the best of luck in this process.

Yours sincerely,

A handwritten signature in blue ink that reads "Ellen Story".
